Upcoming Events

Saturday, June 17 Salad Luncheon

This year's theme is Viva! Las Vegas. Doors open at noon. Lunch served at 12:30 PM.

Tickets are still available. Contact Kim Crawford or Danielle Nadolski.

This is the Auxiliary's one big fund raiser every year and is very successful through the generosity of auxiliary members, our club members and the vendors who donate prizes and gift certificates.

Basket assembly will take place in May and June on Saturday mornings from 8:00 AM to noon. If you'd like to donate a basket or items to be included in baskets, please drop them off in the clubhouse during those times. Please feel free to stay awhile and help assemble baskets. Working together in small groups like this is a great way to meet club members you don't already know.

We certainly appreciate all the donations and the delicious salads the ladies provide that day. There's always a great variety of food, something to please everyone.

Thursday, May 25 Auxiliary Meeting

emails, please contact Marilyn Weaver at maw1952@icloud.com or (440) 259-4892.

Roving Reporter Report

Members have completed construction of the new pavilion at docks 54 through 58. They did a great job! Stop by for a drink and take a look at their handiwork.

Sadly, on April 26th Alicia Soss passed away. She will be greatly missed by her family and friends. Time spent at the club was the highlight of her summers.

Condolences to John Cessna, whose father passed away and to Marie McConnell who lost her uncle.

Commodore's Ball

Mike Scanlon's ball was held on the Nautica Queen on Saturday, April 29th. Over 100 club members and guests attended and a great time was had by all. The food was delicious, liquid refreshments plentiful and at one point FHYC members took over the dance floor.

John Campbell has a new boat – it's a formula power boat. Happy boating this summer!

Best wishes for a speedy recovery to Gayle Exley who broke her wrist.

Guess who's got a landmark birthday this year? Hint: It's in the middle of June and it starts with a 6.

Guess who's planning to retire next spring?

Inaugural Issue

This is the inaugural issue of the Auxiliary's newsletter. We hope this improved communication will help keep you informed of upcoming events, member news, special events and things of interest that are happening at the club.

Carol Matchinga is serving as our Roving Reporter at the club, so if you have something of interest to report, please let her know.

Our next issue is scheduled for the beginning of July.
