### Prepping For Boating Season

The boat yard was particularly busy the last week of May and first weeks of June while members prepped their boats for launching.

"Wax On/Wax Off"

"Being on a boat that's moving through the water it's so clear. Everything falls into place in terms of what's important and what's not."

### Let The Season Begin

It's official! The long awaited 2017 boating season began with the flag raising ceremony on Monday, May 29<sup>th</sup>. Commodore Scanlon gave a nice speech recognizing those who have served or are serving in the military.

More than 50 people attended the ceremony at the club house. It was followed by a 2nd ceremony at the island house. The weather was gorgeous – we hope it continues just like that for.....oh say.....the next 5 months!

The ceremony followed the Memorial Day breakfast. Thank you to those who worked for making this function such a nice one!
